5 Statement of Purpose (Dale)

{Speaker}:

This evening we gather together as one people to worship the old gods. We honor Freyr and Freyja, who have gifted Midgard with their fertility. They have helped bring abundance into our world and our lives and now we give our praise and thanks to them.

The autumnal equinox is an agrarian celebration. Our ancestors would come together to harvest and preserve their crops. They would be repairing their homesteads to stand against the trials of winter. Much as they have done, we still do. We harvest and preserve our crops and we prepare ourselves, and our homes for winter.

We also are celebrating the changing of the seasons. The world is in a time of balance, but moving into the dark half of the year. Look at the people around you, we stand together as one people, our self chosen community.

As the world grows darker, let us rekindle the light of the sun within ourselves and our community!

6 Recreating the Cosmos (Kalyn)

{Speaker}: Moves to the bowl. Speaks then places silver in the well

Let this silver sanctify the water. Though deep within the roots of Yggdrasil you are. Let these Waters become the well of Mimir. May the knowledge you grant enlighten us. *{Speaker}: Moves to the fire. Speaks then places herbs in the fire*

Let these herbs sanctify the fire.

Through the flames comes transformation. Let this fire becomes Bifrost. May you transport our words and offerings to the gods.

{Speaker}: Moves to the tree or bile. Speaks then pours some water from the well onto the tree/bile

Let the water from the well of Mimir sanctify this wood.

Transform now to Yggdrasil. Through you the 9 realms are connected.

{Speaker}:

We are gathered here, in Midgard, at the base of Yggdrasil.

7 Opening the Gates (Kalyn)

{Speaker}: Speaks then gives offering to the gatekeeper

Hail Heimdall! Hear us! See us!

Guardian of Asgard, ever watchful. You who hear the grass grow, and see far, lend your might to ours and assist us to open the gates between the worlds.

Let the gates be opened!
